Damascus Richard Beard,2018-11-22 A love story, in which all the events, people and places are taken from the contents of the The Times of 1st November, 1993. 'It's the last day of the holidays and Spencer Kelly (12) wants to hold Hazel Burns (12) by the hand. This is the meaning of life. He wants to sit beside her on a sand dune and hold her hand and then kiss her. Just kissing, in a nice way, on her cheek perhaps and then a little bit at the top of her arms- If he can kiss her this once then he'll always have kissed her, and everything which follows will be different. It's to be the one moment which instantly changes everything.'

The Extemporaneous Existence of Nadine Tallemann Ursula W. Schneider,2009-09-23 The extemporaneous existence of Nadine, a bright, complex but naive and trusting young German woman, begins when she heads to England after World War II. She thinks shes leaving home to improve her knowledge of Shakespeares English while working as an au pair in a British household, but instead shes about to learn the ways of the world and become a woman. Nadine goes to England to look after Lipsey and Peter, the two young children of Julie and James Johnson, an English couple in Groomsbridge. While there, she also meets a number of interesting Englishmen of different ages who appreciate her in varying ways consistent with their social class. One of them is Andrew Gibson, a handsome sausage boy, who picks her up at a carnival. She quickly falls for him. Gain new insights into World War II, assiduously recollected by a young German woman who lives abroad. As the reader watches her, she slowly, incessantly steps forth in *The extemporaneous Existence of Nadine Tallemann* until her development is forcibly interrupted.

[A Grasslands Walk With Teedoe](#) Rhonda Hunter,2024-01-31 Step into Alberta’s vast grasslands, where every vibrant bloom and trill of a meadowlark tells a story. Guided by a spirited border collie named Teedoe, you’ll discover prairie crocuses that signal winter’s end and prickly-pear cacti that shimmer in golden hues. Each page provides vivid photos and fun facts about the mysteries of this unique habitat, from the silvery-gray sagebrush to the delicate moss phlox that appears like patches of snow. Immerse yourself in this captivating world, and learn why it’s essential to stop, look, and listen to what Alberta’s grasslands have to offer.

Tuff Paul Beatty,2021-07-13 From Paul Beatty, the author of the Man Booker Prize winner *The Sellout*, comes *Tuff*, a novel as fast-paced and hard-edged as the Harlem streets it portrays. Age nineteen and weighing in at 320 pounds, Winston “Tuffy” Foshay is an East Harlem denizen who breaks jaws and shoots dogs and dreams of earning millions from his idea for *Cap’n Crunch: The Movie*, starring Danny DeVito. His best friend is a disabled Muslim who wants to rob banks, his guiding light is an ex-hippie Asian woman who worked for Malcolm X, and he married his wife, Yolanda, over the phone from jail. He’s funny and fierce, frustrated and feared. And when Tuff decides to run for City Council, this dazzling novel goes from astoundingly funny to acerbically sublime. By turns profound and irreverent, and populated with a hilarious supporting cast, Paul Beatty’s *Tuff* is satire at its razor-sharp best. “An extravagant, satirical cri de couer...Beatty’s blunt, impious, streetwise eloquence has a kind of transfixing power.” —The New York Times Book Review “Masterfully conceived and highly entertaining...Richly textured and unforgettable.”—The Boston Globe

Racialized Health, COVID-19, and Religious Responses R. Drew Smith,Stephanie C. Boddie,Bertis D. English,2022-03-10 *Racialized Health, COVID-19, and Religious Responses: Black Atlantic Contexts and Perspectives* explores black religious responses to black health concerns amidst persistent race-based health disparities and healthcare inequities. This cutting-edge edited volume provides theoretically and descriptively rich analysis of cases and contexts where race factors strongly in black health outcomes and dynamics, viewing these matters from various disciplinary and national vantage points. The volume is divided into the following four parts: Systemic and Socio-Cultural Dimensions of Black Health Ecclesial Responses to Black Health Vulnerabilities Public Education and Policy Considerations Spirituality and the Wellness of Black Minds, Bodies and Souls Part I explores ways social and cultural factors such as racial bias, religious conviction, and resource capacity have influenced and delimited black health prospects. Part II looks historically and contemporarily at denominational and ecumenical responses to collective black health emergencies in places such as Nigeria, the UK, the US,

and the Caribbean. Part III focuses on public advocacy, particularly collective black health, both in terms of policy and education. The final section deals with spiritual, psychological, and theological dimensions, understandings, and pursuits of black health and wholeness. Collectively, the essays in the volume delineate analysis and action that wrestle with the multidimensional nature of black wellness and with ways broad public resources and black religious resources should be mobilized and leveraged to ensure collective black wellness. Auf den Schwingen des Krieges Hailey Turner, 2022-06-03 Den Toten zu gedenken, wird ihnen immer Leben einhauchen. Der begehrte Stab der Morrigan steht auf dem Schwarzmarkt dem Höchstbietenden zum Verkauf, und SOA Special Agent Patrick Collins wird alles geben, um sicherzustellen, dass die Dominion-Sekte ihn nie in die Hände bekommt. Die Rückgabe der Waffe an ihre rechtmäßige Besitzerin ist ein weiterer Schritt auf dem langen Weg zur Begleichung seiner Seelenschuld, aber Patrick wird diesen nicht allein gehen. Jonothon de Vere wird ihn nicht im Stich lassen. Aber um den Wünschen der Götter nachzukommen, muss Patrick nach London reisen. Und um seinen Liebhaber zu unterstützen, wird Jono sich der Vergangenheit stellen müssen, die er für immer hinter sich gelassen zu haben glaubte. Seine Rückkehr nach England ist nicht willkommen, ebenso wenig wie ihr Rudel, aber Jono und Patrick planen, sich den Feindseligkeiten gemeinsam zu stellen. Ihre Priorität muss jedoch die Mission sein – die lokale Politik einmal beiseite –, aber das unheimliche Geheimnis, das sie im Londoner Gottesrudel aufdecken, wird ohne Zweifel weitreichende Auswirkungen haben, die niemand ignorieren kann. Ein Wettlauf gegen die Zeit führt Patrick und Jono durch die Straßen Londons, bis hin zu den hellen Lichtern von Paris, der Stadt, in der die Gastfreundschaft dünn gesät ist. Geflüsterte Gebete erfüllen die Luft und der Stab der Morrigan landet an einem Ort, den er niemals hätte erreichen dürfen – einem Friedhof. Denn unter Paris schlummern die lang vergessenen Toten, und wenn sie sich erheben, um erneut auf dieser Erde zu wandeln, können die Lebenden nur auf einen permanenten Tod hoffen.

Avis Glaze Roderick Bennis,2017-01-25 Avis Glaze was recently identified as one of the most inspiring women every educator should know. From her earliest days in Jamaica, as a young girl who was driven to teach others to read, to her rapid rise through all levels of the school system to become the founding CEO of the Literacy and Numeracy Secretariat and Ontario's Education Commissioner, Glaze has been a persistent voice in the belief that there should be no 'throw-away kids.' Recognized for her record of innovations in education, including improved student learning and achievement in Ontario, she initiated system-wide character development programs in schools, communities and workplaces. This award-winning educator has been a steadfast advocate for equity of outcomes for all students. That is why Glaze has always acted with a sense of urgency because, as she often says, the children cannot wait. Glaze was chosen by the Canadian government to assist with education reform in South Africa. She was also invited to work on education reform in New Zealand, and was invited by the Queen of Norway to speak to principals. Most recently, she was appointed as independent advisor to assist in improving education in Scotland. She is in demand as a speaker across the globe, having worked in more than 22 countries and over 30 U.S. states to help maximize impact. She is truly an international leader in the field of education. Part biography, part chronicle of achievements, this book will reignite passion and commitment to improve teaching, learning, leadership, and organizational effectiveness.

Sulle ali della guerra Hailey Turner,2024-04-30 Il tanto bramato scettro della Morrígan sta per essere venduto sul mercato nero al miglior offerente e l'Agente Speciale dell'AOS Patrick Collins farà tutto il necessario per assicurarsi che il Dominion Sect non ci metta le mani sopra. Restituire l'arma alla sua legittima proprietaria è un altro passo sulla lunga strada che lo libererà dal debito che ha contratto con gli dèi, ma non la percorrerà da solo. Jonothon de Vere non glielo permetterà. Per obbedire agli dèi, dovranno dirigersi a Londra. Per Jono significa affrontare un passato che credeva di essersi lasciato

alle spalle per sempre. In Inghilterra il suo ritorno non è gradito, né lo è il loro branco, e sarà costretto a fronteggiare l'antica ostilità insieme a Patrick. Problemi di politica dei mutaforma a parte, il completamento della missione dovrà rimanere la loro priorità, ma i raggelanti segreti che scopriranno nel branco divino londinese avranno ripercussioni sul caso impossibili da ignorare. Una corsa contro il tempo li porterà dalle strade di Londra alle brillanti luci di Parigi, dove l'ospitalità è fragile, l'aria è carica di preghiere sussurrate per gli scomparsi e lo scettro della Morrigan finirà nell'unico luogo in cui non sarebbe mai dovuto arrivare... un cimitero. Perché nel sottosuolo di Parigi riposano morti a lungo dimenticati e, quando si risveglieranno per tornare a camminare, i vivi potranno solo sperare in una morte misericordiosa.
